

## NORTHSHORE MUSTANG CLUB ROAD TRIP

16<sup>TH</sup> NOVEMBER 2024

I have spoken with the senior management at Cora Texas, and it is confirmed that we can visit the factory for a tour on the above date. They have agreed that I can conduct the tour.

### SUGGESTED ITINERARY

1. Everyone to meet at Planet Fitness in Covington. Departure time 9:00 am
2. Travel via I12, I55 and I10 to the Cajun Village on HWY 70 in Sorrento.
3. Arrive at Cajun Village approximately 10:30am and have Coffee and Beignets at the Coffee Shop. Those interested can visit the Cajun Village Antiques. Departure time 11:30 am.
4. Travel to Cora Texas Sugar factory in White Castle. Arrival at the factory 12:00 pm. All vehicles will be parked in the limestone car park at the front of the factory. The group will go to the factory Boardroom for an introduction to the management. Hard Hats will be issued to all in the group. I will conduct the tour which should be completed around 1:30 pm. Departure time 2:00 pm.
5. Travel to First and Last Chance Café in Donaldsonville. Arrive at 2:15 pm. We can enjoy lunch at this historic Café. The menu includes Hamburgers, Po Boys and a variety of authentic Cajun Food. Plan to depart around 3:30 pm.
6. Travel back to Covington. We can either return via I10, I55 And I12 or we can consider the more scenic route down HWY 22 which winds its way back to the I12. It enters I12 at the Pumpkin Center. We can all go our different ways once we connect with the I12. I estimate that we will connect with the I12 around 5:00 pm.
