**P.O. Box 718 Madisonville, LA 70447**

*Established in 1999. A Mustang Club of America Regional Club*

The Northshore Mustang Club, established in 1999 is a non-profit club of enthusiasts and owners of Mustangs, Ford vehicles in general, and other makes and models of cars. We live and work throughout Southeast Louisiana. We are a regional affiliate of the Mustang Club of America.

We host numerous events to raise funds for charities. In the last 9 years alone, we have raised and donated more than \$50,000 dollars to local and national organizations such as, Pancreatic Cancer Action Network, Leukemia and Lymphoma Society, Northshore Technical Community College, Louisiana State Troopers Association, and Louisiana State Firemen's Association.

Net proceeds from our annual car show, in partnership with Banner Ford, go to the Northshore Technical and Community College to fund the Northshore Mustang / Banner Ford Scholarship. This endowed scholarship is awarded to deserving students each year in the Automotive Technology and Diesel-Powered Equipment Technology Programs at NTCC. With successful shows in the future, we will continue to fund this scholarship and increase our endowment.

In partnership with Banner Ford and Northshore Technical Community College, we directly help students with their education and raise awareness of Northshore Technical and Community College's overall commitment to providing quality workforce training with associate degrees, technical diplomas, and certificates to students who become productive contributors to the Louisiana economy and Northshore community.

We humbly ask for your help in achieving this goal. You can show your support in the form of a sponsorship (or donate an equivalent value prize in lieu of Silver or Associate Sponsorship) to help cover some of the costs of our annual show.
