Northshore Mustang Club & Banner Ford of Mandeville Sponsor & Donation Form

Who we are

The Northshore Mustang Club, established in 1999, is a 501 (C) 7 non-profit organization of Ford Mustang owners and enthusiasts of other Ford vehicles, as well as other makers and models of muscle and classic cars. We live and work throughout Southeast Louisiana and Southwestern Mississippi. We are a regional affiliate of the Mustang Club of America.

We are seeking club sponsors and donors for our Annual Philanthropic Event. Your sponsorship, or monetary/prize donations help us achieve our goals for this event.

Sponsorships / Monetary Donations

We invite sponsorship and Donations for our **Northshore Mustang Club /Banner Ford Annual Open Car Show** scheduled for 24th October 2026.

The sponsor/donation money raised through this event is used to support Automotive and Diesel Technology Students at Northshore Technical Community College in the form of scholarships and other (student) monetary assistance. A portion may also be used for event expenses like insurance for our events, event awards, event advertising, and general event expenses.

As a sponsor or corporate/business donor, with your approval, your company name and/or logo will be displayed on our [website's](#) show page for the given year, with a link to your website or social media site of your choice. We will also display your logo on a sponsor board at the car show for the year of your sponsorship. We also encourage our members and visitors to our website to patronize your business.

Gold sponsors will be offered the opportunity to sponsor and present an award for a category or vehicle of their choice at the Banner Ford Car show that year.

Prize Donations

We also seek prize donations or promotional items for gift baskets for our silent auction, goodie bags for registered cars, and door prizes to give away at our events. If you donate a prize, we will honor your prize donation by placing your name or company logo on our [website](#) commensurate with the value of your donation.

Philanthropic History

In the last 10 years alone, we have raised and donated more than \$75,000 dollars to local and national organizations such as: Pancreatic Cancer Action Network, Leukemia and Lymphoma Society, Northshore Technical Community College, and numerous first responder organizations. We appreciate your consideration to supporting our continued efforts.

Sincerely,

Wendy Quinlan
